

Node

```
graph BT; NodeVertex --> Node
```

The diagram illustrates a class inheritance relationship. At the top is a white rectangular box with a thin gray border containing the text "Node". Below it is a gray rectangular box with a thin black border containing the text "NodeVertex". A blue arrow points vertically from the top center of the "NodeVertex" box to the bottom center of the "Node" box, indicating that "NodeVertex" inherits from "Node".
